

Rockin' Red Class

This Week: Israel

Date: April 17

Group Activity

We made groggers (noise makers.) These are used during the reading of the story of Ester at the time of the Jewish holiday of Purim.

They are shaken any time Haman's name is said (he is the bad guy of the story.)

Bonus!

We watched a brief video clip of a 9 yr old girl that lives in Israel. We were able to watch her go through a typical day in her life. She lives in a Kibbutz which is a collective community traditionally based on agriculture.

We also tasted some Israeli foods. We had some pita chips dipped in humus which was a huge hit. We also tried some matzah which went over better than I expected!

Stations

Station #1 Runaway Driedle

We read a fun story about a "runaway driedle" and then searched out all the words that rhymed.

Station #2 Driedle, Driedle

We worked on our cooperative skills and our ability to follow directions while playing the driedle game.

Station #3 Handwriting

We worked with all the materials we have to make the letter "I."

Devotions

We read through the story of Ester and used our groggers to boo and hiss at Haman each time his name was read.

Note!

Mother's Tea: Wednesday, May 5
